

DOCTOR'S REPORT

The parents of _____ have requested that Home/Hospital Instruction be provided by the Calhoun County Board of Education.

Students who receive home/hospital instruction are students who, due to injury or for any other reason as certified by a licensed physician, are homebound for a period of three weeks or more. A licensed physician must provide a written statement to the Calhoun County Board of Education that must include:

1. Diagnosis (injury, non-communicable illness, health problem/condition):
2. Statement of specific reasons why the student must remain at home or in the hospital.
3. Statement of conditions under which the student can return to school:
4. Expected date of return to school:
5. The date home/hospital instruction is to begin:
6. The proposed treatment plan for reentry to school:
<hr/> Physician's Signature
<hr/> Date
