

**CHAPTER: INSTRUCTION**  
**TITLE: DUAL CREDIT AND COLLEGE CLASSES**

Students may be given both high school credit and college credit for college courses that are taught at Calhoun County High School and approved for dual credit by a West Virginia college. Students must qualify for an Early Entrance Program at a West Virginia college and the courses must be pre-approved by the principal Calhoun County High School, to receive both high school and college credit. Students must also have a 3.0 cumulative GPA to be eligible for dual credit/college courses. The parent/guardian of students not at a 3.0 GPA, may request for a waiver of this requirement to the Principal of Calhoun County High School. Requests approved by the Principal will be submitted to the partnering college's off campus programming office for them to consider.

The school will utilize the college grading scale for college/high school dual credit classes. Credit will not exceed 1 high school credit per college course. West Virginia Department of Education Standards not met in college courses will be covered during the high school instructional days in which the college is not in session. Credit recovery programs will be utilized for students to recover a required credit if dual credit is not earned.

Tuition, textbook and material costs will be the responsibility of the parent/guardian. The CCBOE will not be responsible for any additional charges such as on-line fees lab fees or additional fees/expenses for off-campus classes.

Dual Credit Courses that may be offered at Calhoun County High School are:
