Title: Snow Day Practice Policy

Snow Day Practice Policy

Early Dismissals:

In the event of an early dismissal from school that was caused by a weather-related incident, all practices for that day will be canceled. A notice will go out via our school Facebook page when practices are canceled.

Remote Learning Days:

In the event school is switched to a remote day due to lack of personnel or weather, the Athletic Director will check roads throughout the county and report back to the Transportation Director, the current conditions of the roads. The Athletic Director will also consult Calhoun Control and/or the WV Division of Highways in Calhoun to determine whether or not the roads are safe to drive on and report to the Transportation Director. Additionally, consult may also be made with the Calhoun County Superintendent of Schools and the Principal of Calhoun County Middle/High School to determine safety of travel. If it is then determined that roads are safe for travel, sports and band may have a practice. Additionally, practice will not be mandatory during these times. The Athletic Director will then notify coaches who will set up practices. If practices are canceled, a notice will go out via our school Facebook page. If schools switch to remote because of COVID related issues and are deemed RED, there will be no practice or games until Calhoun County Schools, or Calhoun County Middle/High School is no longer RED.

Weather Related School Cancelation:

In the event of a weather-related school cancelation, the Athletic Director will check roads throughout the county and report back to the Transportation Director the current condition of the roads. Additionally, practice will not be mandatory.

Practice and Game Times:

In the event that teams can have practice, practice will begin no earlier than 1:00 p.m., and end no later than 7:00 p.m. Games will be played at their normally scheduled times if it is deemed safe to travel.
