

Chapter: Finance

Title: Attendance Incentive

Attendance Incentive for Calhoun County Employees:

Calhoun County Schools will extend the WVBOE Teacher attendance incentive for all employees. The WVDE will pay for the teacher's attendance incentive, and Calhoun County Schools will be responsible for paying for the additional classification of personnel.

Calhoun County Schools will follow the state guidelines set up for the attendance incentive. Currently, WVDE only offers the attendance incentive to teachers who miss 4 or fewer days per year. This policy would extend the attendance policy to all Calhoun County employees who miss 4 or fewer days per year.

No employee shall be eligible for both WVDE and County attendance incentives.

This incentive will be paid at the end of the employment term on June 30th and will only be available for employees that finish out the full employment term.
